## REMUNERATION COMMITTEE CHARTER

---

### INTRODUCTION

ASX Corporate Governance Council ("ASXCGC") principle 2.4 recommends the Board should establish a nomination committee.

ASX Corporate Governance Council ("ASXCGC") principle 8.1 recommends the Board should establish a remuneration committee.

The Board has not established a Nomination and Remuneration committee at this point in the Company's development. It is considered that the size of the Board along with the level of activity of the Company renders this impractical and the full Board considers in detail all of the matters for which the directors are responsible.

To assist the board in fulfilling its responsibilities, the board has adopted a Remuneration charter.

The primary function is to consider and recommend compensation arrangements for the Managing Director and senior executives, remuneration policies and practices, retirement termination policies and practices, company share schemes and other incentive schemes, company superannuation arrangements and remuneration arrangements for members of the Board.
